

# THE SINGAPORE BOOK CLUB

A joint collaboration between The Arts House and the National Book Development Council of Singapore, the bi-monthly meetings of The Singapore Book Club aims to enhance the reading pleasures of books lovers by creating an environment where all can come together and delight in the act of reading and discourse.

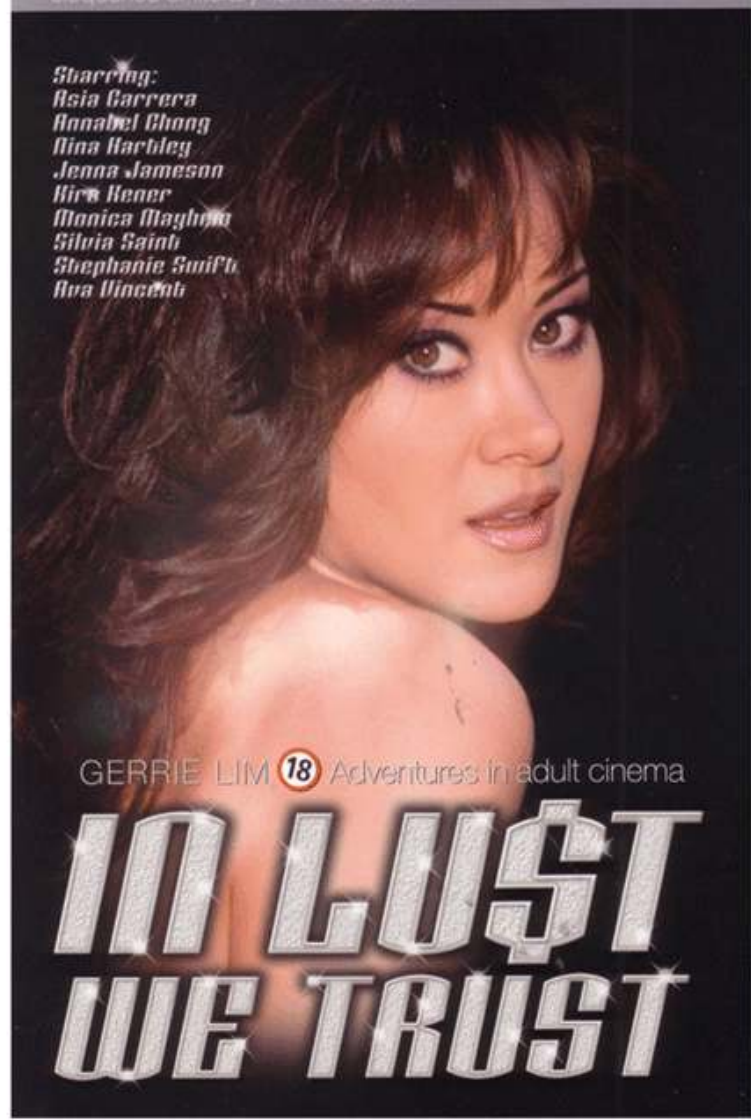

In September, join facilitator Vivienne Yeo (poet, writing teacher and author of *If You're Not, Why Not?*) along with Miss Izzy, Author of Singapore's most infamous sex blog and author Gerrie Lim as they discuss the little-known world of the American adult film industry in *In Lust We Trust*.

His fourth work, *In Lust We Trust*, is a sizzling combination of sex and celebrity. The book chronicles interviews with icons of the industry and his observations are often insightful and albeit, candid. His previous books include *Invisible Trade* and *Idol to Icon*.

"No one else has written about our industry with as much edgy eloquence or literary flair." Asia Carrera
