Life of My Sisters is an illustrated story told by Debby Ng and Edwin Koo, who entered into the homes and lives of the little sisters – Nepal's hope for a better future. Over 70% of girls in Nepal are illiterate and risk falling victim to prostitution rings and child trafficking networks – education is their best hope of a better life. All nett publisher proceeds from the book will be donated to Little Sisters Fund. For more than a decade, Little Sisters Fund (www.littlesistersfund.org/) has been providing scholarships to underprivileged girls in Nepal.
